**Three days of classic motorsport fascination!**

The program of the 50<sup>th</sup> Oldtimer-Grand-Prix will once again present the most important racing series in history, including for most series in addition to training also two races. The vast variety of different races is what the most traditional German Classic Race Event with international participation is best known for:

The Grand Prix Cars of the HGPCA starting at 1930, plus the Formular Junior (built until 1961) opens the first class selection, followed by F-1 and F-2 bolidens, which will include Grand Prix's from the 50s to the 80s in various races. FHR with its fine sports cars, Gts and DTM bolidens of the 90s will round up the show. Another special feature of the event are naturally the racing and sports cars in the old paddock. Many celebrated teams and drivers will be present for rides and to sign autographs. In the new paddock and in the parking areas you will find the many enthusiasts clubs that are joining the event for many years.

**Reduced-price tickets for Christmas**
